

Statoil is pleased to present the Statoil Day 2016!

The day will take place at the Statoil Business Center at Forus/Stavanger **Nov 23**.

Are you as committed to future energy challenges like us, and want to get a better insight into our business?

We would like to invite students within our key competence areas such as engineering, economy and IT to an exciting day. The day will include amongst other, networking, lunch and a workshop.

We have a limited number of 30 seats available and the selection will be based on the following criteria:

- Must be at least 2nd year Bachelor
- Not more than 1-year work experience
- Fluent in English, preferably with additional working language
- Preferably with international work or study experience

Please attach a CV, your study results and a motivation letter explaining why you want to attend this day (all documents preferably collected in a pdf file) and to be sent no later than **Oct 15** to:

gm_GBSHR-profiling@statoil.com

Looking forward to see you there!
